Great project / Zynk! 10/10

# Adil Ismailov

The project looks boring, I bet 7.

For knowledge of JDBC +3

10/10

An interesting design, a fun idea  
meets all the conditions  
what else is needed? 11/10

Honestly, I didn't like it too much, but I don't like it either.

Graphically, the project looks poor, the idea too, but interest is 8/10.

Abdulaaziz Talantbek Uluu

I liked the design, but the idea is so-so 9/10

In my opinion, this project looks great, login form is great. There are problems with the size of the application, but this is a trifle. 10/10
